Dear Mr. Butler,

On behalf of our clients, Scott Elliott and I have reached an agreement in principal settling this matter. We are working on a written settlement agreement that we plan to submit to ORS for its review and hopeful approval, and then to the Commission.

In order for the Parties to have sufficient time to finalize our negotiations, Mr. Elliott and I are jointly requesting that the Commission suspend all deadlines in this matter.

As you may know, Village Overlook Condominium Association is currently scheduled to prefile its direct testimony today. As a consequence, I respectfully ask Mr. Elliott, and Ms. Hudson or Mr. Bateman, to express their consent to this request and that you issue an order as soon as you can approving this request.

I am on my way to a meeting, but will contact you around 2:00 to follow up.

Very best regards,

John
